

Quick Start Guide

Getting Started with Connected Services Dashboard

Welcome to the Connected Services Dashboard.

Follow these simple steps to create your account and gain access to our platform.

Step 1: Create Your Account

Click the following link: [Create Account](#). Click "Sign Up" to start the registration process.

Step 2: Verify Your Email

After registering, check your email inbox for a verification request from us. Click the provided link to verify your email address.

Step 3: Authorize App Request

Once your email is verified, you'll receive an "Authorize App" request in your browser window. Click "Accept" to continue.

Step 4: Notify Us

After authorizing the app, please notify the Phononic Customer Success Team [ccfsupport@phononic.com] that your account has been created. This will allow us to finalize your account setup and grant you access to all tote data.

You are now ready to explore the Connected Services Dashboard and enjoy the benefits of our platform.

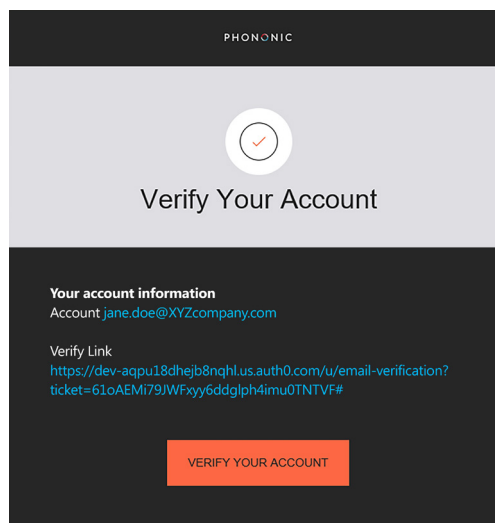

If you have any questions or need assistance, please don't hesitate to reach out to our support team.
